Farewell to Manzanar by Jeanne Wakatsuki Houston and James D. Houston is a heartbreaking and compelling memoir about the Japanese American internment experience as seen through the eyes of young girl, this personal story bears witness to a failure of American democracy.

The film is a haunting reminder of how our civil rights are at risk in moments of crisis; the screening of the film is courtesy of the Japanese American National Museum.

California Reads programs are made possible with support from Cal Humanities in partnership with California Center for the Book.
